Watch the video, 'What is a lightship?'

In the video we are told about the 4 features of the LV50 that helped it save lives:

- The Flashing Light
- The Fog Horn
- The Signal Carronade
- The Top Mark

Activity

On the blank diagram below, label where each of these features are.

Activity

In the table below, write how each feature helped to save lives.

Name of LV50 Feature	How did this feature help save lives?

Extension Activity

In as much detail as you can, describe how the 'Top Mark' feature worked. You may want to draw a scientific diagram to help you.
